

### **DARAGUARD® 416: Rinse Aid**

**Daraguard 416** is an organic blend of surface active agents specifically selected to promote the sheeting action of rinse waters following cleaning with **Daraclean®** cleaners.

- Effective at Low Concentrations
- Enhances Drying
- Reduces Spotting
- Promotes Sheeting Action
- Contains glycol ether

### **APPLICATIONS / STARTING DILUTIONS**

Add 2 - 4 ounces of **Daraguard 416** per 100 gallons of rinse water. The concentration should be increased or decreased as needed for optimum performance.

Keep concentration at a minimum in high pressure spray applications.

**Daraguard®** and **Daraclean®** are registered trade names of W.R.Grace & Co.-Conn.
