

HURRI-SAFE®

Special Formula Degreaser

B1

An Environmentally Compatible Fully Aqueous Product designed and formulated under **MAXIMUM ACHIEVABLE CONTROL TECHNOLOGY** for Electronics and metal working industries.

Hurri-Safe Special Formula Degreaser is a safe, highly concentrated cleaner that quickly cuts through both oil and grease without abrasives or grit that scratch surfaces. An exact combination of alkaline, wetting, suspension, softening and emulsifying chemical agents allows **Hurri-Safe Special Formula Degreaser** to rapidly overcome surface tension and lift soil. It also emulsifies and suspends materials such as petroleum, animal oils, organic oils, and greases. After emulsification, the solid material can be flushed with water.

Hurri-Safe Special Formula Degreaser is designed to replace hazardous and flammable cutting solvents in cold applications. Such as parts washing equipment as a primary cleaner in and around service stations, automotive garages, truck terminals, heavy equipment, processing plants, and any environment in which petroleum, animal or organic oils and greases are present. Also an excellent degreaser for Ultra Sonic units used without heat. Completely acceptable as a cold wipe cleaner in Electronics and Metal working industries.

APPLICATIONS

Parts Washers: Dilute **Hurri-Safe Special Formula Degreaser** 1:4 with water for cold applications.

Steam Cleaners: Dilute **Hurri-Safe Special Formula Degreaser** 1:10 to 1:40 depending on the surface to be cleaned and the degree of oil and grease build-up.

Immersion Tanks: Dilute **Hurri-Safe Special Formula Degreaser** 1:4 with water for cold immersion tanks.

Available in: Cases of six 1-gallon plastic jugs, 5 gallon plastic pails and 55 gallon drums.

SPECIFICATIONS

FLAMMABILITY	NON-FLAMMABLE
SOLUBILITY	100% SOLUBLE IN WATER
BIODEGRADABILITY	100%
TOXICITY	NO HARMFUL FUMES, NON-TOXIC
SPECIFIC GRAVITY	1.002
DENSITY	8 lbs. 9 oz. per Gallon
pH	12.4
FREEZE/THAW STABILITY	MAY BE ALLOWED TO FREEZE WITHOUT DEGRADATION
SHELF LIFE	INDEFINITE
