

Hot Immersion Degreaser

B1

An Environmentally Compatible Fully Aqueous Product designed and formulated under MAXIMUM ACHIEVABLE CONTROL TECHNOLOGY for Electronics and metal working industries.

HURRI-SAFE HOT IMMERSION

DEGREASER is designed to overcome surface tension, lift soil, emulsify and suspend a broad range of petroleum, animal or organic oils, greases, cosmoline and dirt. After being emulsified, the soiling material can easily be flushed with water. The Hot Immersion Degreaser is a safe, non-flammable, non-toxic, water-soluble, biodegradable immersion degreaser without harmful fumes.

HURRI-SAFE HOT IMMERSION

DREGREASER is designed for use in high power steam pressure washers, all heated immersion tanks, including Ultra Sonic units, dip tanks and recirculating hot washers.* This degreaser is safe to use on plastic, rubber, silicones, fiberglass and all metals including steel, aluminum, brass and copper.

APPLICATIONS

HURRI-SAFE HOT IMMERSION DEGREASER should be diluted with water up to 1:10 depending upon the severity of the cleaning problem and the method of application. For high power steam pressure washers, **HURRI-SAFE HOT IMMERSION DEGREASER** may be diluted 1:10 to 1:30.

Available in: 5-gallon pails and 55-gallon drums.

*Additional defoamer may be required and is available.

SPECIFICATIONS

Flammability	Non-Flammable
Solubility	100% Soluble In Water
Biodegradability	100%
Toxicity	No Harmful Fumes, Non-Toxic
Specific Gravity	1.002
Density	8 lbs. 9 oz. per Gallon
pH	12.4
Freeze/Thaw Stability	May Be Allowed to Freeze Without Degradation
Shelf Life	Indefinite
