Specially Formulated For Use In Applications Where Color, Odor, And Rinsibility Are Critical

- Non-toxic
- Biodegradable
- Excellent rinsibility
- Non-flammable
- Non-abrasive
- Concentrated, economical
- No caustic fumes

Crystal Simple Green® is formulated for applications that demand a fragrance-free and color-free solution. It is a highly effective, concentrated, all purpose degreaser and cleaner. Most importantly, it's one of the safest and most economical degreasing and cleaning products that you can buy.

Like original Simple Green, it's tested and proven to be a safe, effective and powerful product.

Because *Crystal Simple Green* is fragrance-free, color-free and has high rinsibility, it is an ideal and effective degreaser/cleaner for use in many industries, including:

- HVACR
- Electronics, pharmaceutical, cosmetics
- Aqueous based cleaning systems
- General use in food processing facilities
- Industrial/manufacturing

Discover that it works and saves you money

- Authorized for use in Federally inspected meat and poultry plants

- Meets FDA requirements for cleaning in cosmetics, medical, and pharmaceutical environments where Good Manufacturing Practices (GMP) are followed

- Exempt from OSHA and EPA special handling and personal protection requirements for hazardous materials

- Meets Montreal Protocol Guidelines

- No ozone-depleting substance (ODS) warning labels required

Labels carry clear instructions for use and environmental guidelines.

PRODUCT SPECIFICATIONS:

Dangerous Goods Class:	Non-Hazardous
Physical State:	Liquid
Odor:	No fragrance added
Color:	Clear...no dyes added
pH Concentrate:	9.35
Net Weight:	8.5 lbs./gal.
Solubility in water:	Complete
Abrasives:	None
Flash Point:	Non-flammable
Surfactants:	Non-Ionic
Rinsibility:	Excellent
Biodegradable:	Yes
FHSA Toxicity	Non-Toxic
VOC	0
VOC Composite Partial Pressure	0mm Hg @ 20°c
